

PRAYER SUNDAY

As our **Making Room** campaign moves forward, we realize that it is so much bigger than a "fund-raising" campaign. **Making Room** is about opening up our hearts and all the amazing things that God wants to do in and through each of us. Now is a good time for each of us to seek God for ourselves and for our church as we make more room to see people's lives changed for Jesus Christ.

We believe that prayer is a significant part of our campaign journey as it provides opportunity for all of us to be involved. Our Spiritual Emphasis Team has prepared several resources to help us be engaged in personal and corporate prayer for ALC.

One of the values at ALC is that God loves, accepts, and welcomes everyone to follow Him and be a part of His family, and so do we. We also believe that true fellowship and discipleship happen best in genuine relationships. That is why we strongly believe in the importance of everyone being involved in a small group.

Over the next several weeks our Presentations Team will visit each of our small groups for you to hear more about our **Making Room** campaign, as well as give an opportunity for you to ask questions. If you are not currently in a small group, you are invited to attend one of our open forums, which will be hosted at the church.

Q&A

When and where will the commitments be made?

Although there will be some commitments made ahead of time, most commitments will be made during our worship service on Commitment Sunday, March 27th.

The Presentations Have Three Purposes:

1. To discuss the vision and to plan for our new facility.
2. To answer your questions about our project and campaign.
3. To outline the remaining steps of our campaign.

You will NOT be asked to commit during this meeting. Why are we doing this? We want to make sure that any remaining questions are answered, and you are included in our invitation to **Make Room**.

If you're not in a small group, sign up for one of our open presentation forums today.
